### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: In the applicants arguments filed 02 March 2004 they state that Eigen et al. does not show analysis of an extended object. The specification does not define extended objects explicitly, but does exemplify extended objects as DNA. Eigen et al. discloses analysis of DNA and therefore discloses analysis of extended objects. Eigen et al. does not show resolution of at least two unit specific markers on an extended object.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
